In White Elephants on Campus: The Decline of the University Chapel in America, 1920-1960, Margaret M. Grubiak persuasively argues, through a careful reading of historical sources, that the decline of the university chapel in America is a result of a broader cultural shift away from religious architecture in postwar America. White Elephants on Campus: The Decline of the University Chapel . White Elephants on Campus: The Decline of the University Chapel in America, 1920-1960. Article . April 2015.
